

HUMANISTIC

Making the Future Human.

We AIM to create

Learning Organizations.

HUMANISTIC was founded with the core objective to sustain organizations in creating and developing healthy learning ecosystems, that support growth and surf change with ease.

We do that by developing the **SKILLS OF THE FUTURE** through custom made programs.

HUMANISTIC

HR ROLE

organising, coordinating, and managing employees within an organisation to accomplish its mission, vision, and goals.

~~OURS~~

MINE

A close-up photograph of a grid of blue LEGO Technic bricks. In the center, a single yellow Technic brick stands out, slightly raised above the others. The perspective is from a low angle, looking down at the grid, which recedes into the distance. The lighting is soft, highlighting the texture of the plastic.

INDIVIDUALIZARE

HOW :

SYSTEMS

- "Monovehicular"
- Technology
- Systemic thinking

LEADERSHIP

- Polarity Thinking
- Rules : flexible, connection, stability
- Mastering 1:1

COLLABORATIVE HR

- Human centric design
- What do you want?
- A little bit of all

“_”

“<3”

- Power to the individual
- Less for compassion
- Do I really know what I want?
- Attitude / mindset – more important than talent
- So... complex
- HR Burnout

- Personal emotional bound
- The emotional conversation
